BLUE WINDOW CLEAN II-L715

Premium streak free window and glass cleaner

BLUE WINDOW CLEAN II contains a specialised blend of solvents and detergents designed to clean and brighten glass, restoring its original clarity and brilliance.

ADVANTAGES

Restores original clarity to glass

Removes fly residues and road film

Non-abrasive formula

Does not mark rubbers

Easily applied

Non-smearing

Water based

No flammable solvents

TYPICAL APPLICATIONS

Blue Window Clean II is very easily applied and rapidly removes residues of flies, road film and nicotine from windscreens and glass. Unlike conventional glass cleaners Blue Window Clean II was formulated not to contain flammable solvents.

APPLICATION INSTRUCTIONS

Apply the product undiluted via cloth or hand sprayer.

Wipe over the surface of the glass and buff dry with a lint free cloth or absorbent paper to a bright clear finish.
