BRILLIANCE - LOG62

Silicone tyre dressing

Brilliance is a high quality solvent dressing for tyres containing a blend of high quality silicones providing a lasting weather resistant sheen. Brilliance restores the natural lustre of tyres, providing a long lasting high floss finish. The silicones in the formulation have been selected to reduce over-spray onto paintwork when the vehicle is driven away.

ADVANTAGES

Weather resistant silicone dressing for tyres

Long lasting, high shine formulation

Quick and easy to apply

TYPICAL APPLICATIONS

A light covering or wiping will provide a natural sheen. Apply liberally with a brush for a high gloss finish.

APPLICATION INSTRUCTIONS

For optimum results surfaces should be clean and dry. Apply using a brush, cloth, sponge or hand sprayer. Wipe or brush away excess material and allow to dry. A light covering or wiping will provide a natural sheen. Apply liberally with a brush for a high gloss finish.

N.B. Do not spray directly onto brake assemblies. Do not apply to motorcycle tyres.
