CRYSTAL BRITE FOAM - B055

Premium foaming window and glass cleaner

Crystal Brite Foam is the premium foaming window and glass cleaner aerosol, designed to remove finger marks, grease and nicotine from glass surfaces, restoring their original clarity and brilliance. The product sprays a light foam, which clings to the glass, reducing run off and showing exactly where the product has been applied. This reduces consumption and improves economy and time.

ADVANTAGES

Convenient aerosol packaging

Foam action

Restores clarity of glass

Non-streak formula

Fast and easy to use

TYPICAL APPLICATIONS

Unlike some foaming glass cleaners the foam is designed to break down quickly as it is wiped for enhanced ease and speed of use. Crystal Brite Foam's no smear formula is ideally suited for use on windscreens as well as windows and mirrors in washrooms, offices and homes.

APPLICATION INSTRUCTIONS

Spray Crystal Brite Foam onto the glass and wipe over the surface. Buff dry with a lint free cloth or absorbent paper to a bright, crystal clear finish.

Shake can before use.
