EXHIBITION WAX - L066

A rich wax polish for long lasting, high gloss shine and exhibition quality finish

Exhibition Wax is a premium quality rich wax polish, with high shine wax content, for excellent depth of gloss leading to exhibition quality finish on all paint types. The high purity #1 grade carnauba wax is combined with both natural and synthetic waxes for a high wax gloss finish.

ADVANTAGES

A rich wax polish for long lasting, high gloss shine and exhibition quality finish

Easy to use and good filling properties

Incorporates a high content of the finest grade of carnauba wax

High durability and weather protection

TYPICAL APPLICATIONS

The product is designed for easy application and will give a durable and weather resistant finish to all paint types.

APPLICATION INSTRUCTIONS

After washing and drying the vehicle, apply Exhibition Polish with a clean polishing cloth or sponge using a circular motion.

Allow product to dry to a light haze before buffing off with a soft, dry, micro-fiber cloth to leave a high gloss finish.

Shake well before use.
