Technical Data Sheet

FINESSE - L620

Two in one cleaner and dressing

Finesse is a pleasantly perfumed high-quality versatile product for the cleaning, renovating and polishing of plastics & vinyl surfaces.

ADVANTAGES

Two in one cleaner and dressing for all interior plastics and vinyl surfaces

Deep cleaning action, ideal for door shuts and kick plates

Crisp citrus fragrance freshens the car

TYPICAL APPLICATIONS

Finesse can be used on surfaces such as door shuts, dashboards, door trims, boot areas and consoles. Finesse should not be applied to steering wheels, foot pedals or gear levers. It is advised that over-spray is avoided on the vehicle windows.

APPLICATION INSTRUCTIONS

Shake bottle well before use. For best results, Finesse should be applied to a clean dry surface with a soft cloth. However, the advanced formula of Finesse will allow most plastic surfaces to be cleaned and polished in one operation.

Finesse should not be applied to steering wheels, foot pedals or gear levers. It is advised that overspray is avoided on the vehicle windows.
