NAP LOW FOAM

Versatile low foaming interior cleaner specially designed for machine application

NAP LOW FOAM is a highly concentrated fabric cleaner which will remove the heaviest soiling from upholstery, carpets and fabric trim. NAP Low Foam also contains an optical brightener to enhance the colours and patterns of interior fabrics. NAP Low Foam's pleasant fragrance ensures that carpets and upholstery smell fresh and clean.

ADVANTAGES

- Low foam upholstery and carpet cleaner with a crisp, fresh fragrance.
- Designed for machine application.
- Contains optical brighteners to enhance colour and pattern of fabric.

TYPICAL APPLICATIONS

NAP Low Foam is specifically recommended for use via spray extraction equipment. It will remove nicotine stains, grease spots, ingrained ash, mud, chocolate stains, oil and other blemishes associated with car interiors. Test small area for colour fastness before use.

APPLICATION INSTRUCTIONS

Dilute between 1:30 and 1:50 for general cleaning. Apply with wet extract equipment or use with a wet cloth or sponge. Avoid soaking the fabric. Absorb excess solution and allow to dry.

For stubborn stains, nap low foam can be applied at up to 1:10 dilution.

It is recommended to test on an inconspicuous area before use.
