SCREENWASH DE-ICER - L497

Premium screenwash de-icer additive

Screenwash De-Icer is a dual-purpose windscreen wash solution and de-icer, combining detergents and solvents to effectively remove stubborn grease, dirt and fly residues from windscreens.

ADVANTAGES

Concentrated washer bottle additive

Removes road film and insect debris from windscreens

Anti-freezing agents to prevent wash bottles freezing in winter

TYPICAL APPLICATIONS

Screenwash De-Icer is a particularly versatile winter wash bottle additive, which not only prevents wash bottles freezing, but also contains non-volatile freezing point inhibitors to prevent ice build-up in the washer nozzles.

Highly concentrated, Screenwash De-Icer is also an excellent de-icing solution, clearing windows of ice and snow.

APPLICATION INSTRUCTIONS

SUMMER: Use diluted with up to 20 parts water.

WINTER: Use neat to provide protection to -20°C.

Dilute 1:1 to provide protection to -7°C.

Dilute 1:2 to provide protection to -4°C.

Dilute 1:4 to provide protection to -2°C.

For De-icing screens, apply with a sprayer and ice will rapidly dissipate.
