SILVER WHEEL PAINT - B085

Silver Wheel Paint is a quick-drying silver spray paint aerosol with exceptional covering power designed to give an excellent finish in seconds.

ADVANTAGES

Quick drying, silver wheel paint

Dries to a durable finish

Excellent coverage

TYPICAL APPLICATIONS

Typically used on steel wheels, for example trucks, heavy haulage, ambulances etc.

APPLICATION INSTRUCTIONS

Shake well before use. Apply only to dry and clean surfaces. Shake can for 60 seconds after the ball can be hard to rattle.

Hold the aerosol can about 30cm from the surface and spray light coat to avoid runs.

After use, invert the can and spray to clean nozzle.
