SPRAYWAX - L025

Sprayable universal car polish

Spraywax is a high quality polish designed to offer the ultimate in speed, convenience and ease of application. As its name suggests, Spraywax is formulated for spray application. Spraywax provides a sleek, even, smear free finish to the paintwork and unlike many spray products is durable and weather resistant.

ADVANTAGES

High quality, durable and weather resistant polish

Easy buff, spray on formulation for speed and ease of use

Ideally suited for high throughput sites

Excellent for rejuvenating showroom cars

TYPICAL APPLICATIONS

The ease and speed with which Spraywax can be applied is well suited to high through putsites. It is also excellent for rejuvenating showroom cars.

It's easy buff formula speeds up car preparation and reduces waste, saving time and money. Suitable for use on new and used cars.

APPLICATION INSTRUCTIONS

Shake well before use. Spray lightly onto clean paint; wipe evenly over the panel and buff to reveal a deep even shine.

To avoid spray drift when working outside in windy conditions, simply spray into a soft clean cloth; wipe over the panel and buff dry.
