Technical Data Sheet

SUPERSHINE - L554

Mild cutting car polish

SUPERSHINE is a high quality universal polish designed to produce a high gloss finish on both new and used car.

The unique blend of Carnauba wax and silicones produce a deep even weather resistant shine on car paintwork, whilst specialised cutting agents removes thin oxide film, restoring colour.

ADVANTAGES

High gloss polish for both new and used cars

Combines mild polishing agents & carefully blended waxes and silicones for a deep long lasting shine

Very quick and easy to use

TYPICAL APPLICATIONS

Special coating technology restores finish & preserves paint. Exceptional ability to remove thin oxide films, restoring colour to its original brilliance.

APPLICATION INSTRUCTIONS

Shake well before use.

After washing and drying the vehicle, apply the product with a polishing cloth or sponge.

When dry buff off with a soft, dry, micro-fiber cloth to leave a high gloss finish.

Suitable for use on new and used cars.
