TRANSPORT SUPERFOAM II - L833

High foaming vehicle shampoo

TRANSPORT SUPERFOAM II is a mild, high foaming vehicle wash. The dense foam produced clings to the vehicle, prolonging contact time and improving cleaning performance.

ADVANTAGES

Can be used manually, or through brushwash systems

Produces a rich foam, prolonging contact time and improving cleaning

Highly economical

TYPICAL APPLICATIONS

Suitable for manual use, or through brushwash machine. Transport Superfoam II can be used at low dilutions, making it an exceptionally economical cleaner.

APPLICATION INSTRUCTIONS

Suitable for manual use or through brushwash machines.

Use automatic dosing for brushwash at 1:200.

Where high foam is required, foam sprayers or air injection may be employed.

For manual use, dilute up to 1:200. Rinse well after washing.
