Technical Data Sheet

SATIN BLACK - BO80

Quick drying black spray paint

SATIN BLACK PAINT is a quick-drying aerosol paint with exceptional covering power. Most surfaces can be covered in one coat without any fear of runs being formed.

ADVANTAGES

Quick drying, satin finish black paint

Imparts a smooth durable satin finish to bumpers, black trim and components

Excellent coverage

TYPICAL APPLICATIONS

Typically used on bumpers, black trim & components to provide a durable satin finish with no fear of run forming.

APPLICATION INSTRUCTIONS

Shake can for 60 seconds after the ball can be heard to rattle.

Apply only to dry and clean surfaces. Hold the aerosol can about 30 cm from the surface and spray light coats to avoid runs.

After use, invert the can and spray to clean nozzle.
