WATERLESS DETAILER - L546

Ready to use streak-free finish shampoo

Waterless Detailer is the ideal product to quickly and effortlessly remove dust, grime, fingerprints and watermarks, leaving a smear and streak-free finish to your vehicle.

ADVANTAGES

Provides brilliant results without water

Leaves a 'just-polished' finish on bodywork

Resists weathering and resoiling

TYPICAL APPLICATIONS

Waterless Detailer provides brilliant results without water and is safe for use on all surfaces, including paint, glass, plastics and trim-work.

Waterless Detailer has also been designed to work as a clay bar lubricant helping to eliminate all surface contamination and stubborn deposits that clings to the paintwork. The combination of these two products gives a great smooth finish to your paintwork, glass and wheels. Increasing the depth of shine when waxing or polishing.

APPLICATION INSTRUCTIONS

Apply directly to the surface by using a clean wash sponge or microfiber cloth.

Buff dry with a clean microfiber cloth.

For best result use neat for a high-gloss finish, or dilute up to 1:10 with water for a more natural sheen.
